

Hygiene Concept

(valid from 11 July 2022)

In order to avoid infections, we have decided to follow the concept below recommended by the Bavarian State Government and the 16th Infection Protection Law, which serves to protect our employees and guests.

A minimum social distance of 1.5 meters must be maintained on the ZIST site and in ZIST rooms. Please observe the hygiene regulations which are located on the ZIST buildings. Please wear a medical mask in closed rooms and furthermore ventilate rooms sufficiently.

Please use the contactless dispensers available on the premises for hand disinfection. Our cleaning staff regularly clean and disinfect surfaces and objects that are touched by several people. We charge a hygiene flat rate of 1 Euro per night for this.

Guests (m/f/d) who are tested positively for SARS-CoV-2 or have acute respiratory symptoms or a high temperature are excluded from any events at ZIST.

Registration/Arrival

Guests receive our hygiene concept before the start of a course with all regulations that have to be followed.

Arrival

All participants, training staff (m/f/d) and accompanying persons require a negative SARS-CoV-2 rapid test or self test on arrival. This is to be confirmed with your signature on arrival.

Dining Room/Café

Please wear a mask on entering the dining area and café, please be aware of social distancing and remove your mask once seated.

Course Room

Please put your masks on when entering rooms and remove your mask once you are social distancing.

Thank you for your cooperation!

We wish you an inspiring and pleasant stay at ZIST.

Kind regards

Dunja Hausmann
Manager Seminar House
