AUGUST 2025

55 HOURS OF TAKETINA NONSTOP

DESCRIPTION

TaKeTiNa celebrates its 55th anniversary, and Reinhard Flatischler turns 75 – a double occasion to immerse yourself in the world of rhythm and celebrate! To honor these milestones, Reinhard and Anna-Maria Flatischler have crafted an extraordinary event: 55 hours of nonstop TaKeTiNa Celebration

Due to the unique nature of this workshop, we are sharing a personal invitation from Reinhard and Anna-Maria to accompany the course description:

This special workshop will take place in ZIST, a place that has profoundly shaped the evolution of TaKeTiNa. In this remarkable setting, we invite you to step into a continuous rhythm field, co-created by Reinhard, Anna-Maria, and their guests.

55 hours of nonstop TaKeTiNa offer a rare opportunity to delve deeply into the realms of rhythm and consciousness. The continuous rhythm journeys guide you through a spectrum of states: from meditative immersion, through phases of heightened presence, to moments of profound relaxation and clarity.

This extended TaKeTiNa experience strengthens powerful inner processes, unlocking blockages and accessing deep, unconscious layers. It's a transformative journey through rhythm, opening doors to profound self-awareness and growth far beyond the everyday.

You have the freedom to choose how intensively you participate, with the flexibility to join or step away from the rhythm field as needed. This dynamic flow allows you to align with your own rhythm and tailor the experience to your personal needs.

Whether you are new to TaKeTiNa or already have years of experience, these 55 hours offer a unique opportunity to connect with rhythm and yourself on a profound level.

Join us in celebrating the fullness of life and rhythm as we honor this double anniversary!
